Hi again – The index needed a lot of clean up (my admin assistance pointed it out), and I removed the draft header on the Amendment and deleted the comment bubble from the end to make it readable for our reviewers. Please use the attached Index and Amendment documents instead of the ones I sent earlier. Thanks-Jacquie

Hi Jenny – attached are the documents that should be included in our concurrent WD and ORC sign-off packages for our managers. I plan to assemble the ORC package shortly and begin sign-off at the BC level (my SC reviewed and concurred without edits/comments yesterday as she is out until next Tuesday). Please let me know if you have any questions. Note that I am including Lynne's email indicating that we've obtained OCE concurrence and that nothing further is needed by the Regions from OECA's perspective. I have also cc'd R3 so they are working from the same documents. Ideally, we'll have concurrence done by next Tuesday at the latest. Thanks-Jacquie
